

# Epson TM-m30III (152A0): Wi-Fi + Bluetooth Model, Black, UK

Designed to meet the needs of users such as specialist shops, small restaurants, coffee shops, food trucks and kiosks.

Based on a stylish and ultra-compact design, and with a host of advanced features, the TM-m30III is a perfect combination of mobility, connectivity, reliability and ease-of-use. Providing cost-effective and reliable receipt printing in any environment where space is an issue, it's designed to meet the needs of a wide range of growing businesses.

## Space-efficient , robust and reliable

With an all-new, highly compact, super-sleek design, which reflects today's demand for a clean and modern aesthetic, the TM-m30III is also robust and reliable, with a range of connectivity options.

## Easy connectivity with integrated Wi-Fi

Including a USB Type-C PD (Power Delivery) tablet port, the TM-m30III (Wireless) supplies up to 18W of power, and also offers integrated (as opposed to via a USB port) Wi-Fi and Bluetooth functionality. The printer also provides 20Mbps network tethering, which allows the wired network connection to the printer to be shared.

## Built for tough environments

Offering protection against the harmful ingress of liquids to IPX2 standards, the TM-m30III has also been designed with easy cleaning in mind, and is externally treated with an ISO22196-certified antibacterial material, making it ideal for challenging environments such as kitchens.

## Easy, reliable code scanning

The TM-m30III includes superior de-curl functionality, able to produce flattened receipts with no reduction in print speed. This is particularly useful in applications where code-scanning is important, such as event ticketing, or for producing documents that require a signature.

## Boosts speed and efficiency

Offering reliable paper roll near-end detection, which operates with the printer oriented for either front or top paper exit positions, the TM-m30III is ideal for semi-attended applications, such as kiosks or self-checkout, where prompt paper replacement avoids unnecessary downtime.

## Easy set-up, excellent support

The printer is supplied with a "quick start" sheet that offers a simple and effective setup guide, while scannable QR-codes link to videos that cover all processes, from unpacking to power on, as well as basic configuration tasks. Expert Epson support is available for iOS, Android and Windows.

## KEY FEATURES

- Stylish, all-new design**  
 Ultra-compact, sleek, reliable and affordable
- Improved mobile connectivity**  
 Includes a USB Type-C PD connector, plus integral Wi-Fi and Bluetooth
- Designed for efficiency**  
 Features a paper near-end detector and superior decurling mechanism
- Built for tough environments**  
 IPX2 protection against liquids, plus antibacterial surface treatment
- Wider platform support**  
 Now supports Windows and Android, as well as iOS
- Legal Statement**  
 Complies with The UK Product Security and Telecommunications Infrastructure (Product Security) requirements. Epson will provide security updates for 7 years from purchase

PRODUCT SPECIFICATIONS

PRINT TYPE	
Print method	Thermal line printing
Print method receipt	Thermal line printing
Technology	Thermal Line
PRINT	
Printing Speed	Max. 300 mm/sec at 203 x 203 DPI ( printing width80 mm)
Printing Resolution	203 x 203 DPI
Barcodes	Coda bar (NW-7), Code 128, Code 39, Code 93, Composite Symbology, Data Matrix, EAN-13, EAN-8, GS1-128, GS1-DataBar, ITF, JAN13, JAN8, MaxiCode, PDF417, QR Code, UPC-A, UPC-E
Printing Font	ANK, Traditional Chinese, Simplified Chinese, Japanese, Korean
FONTS & STYLES	
Print Speed receipt	300 mm/sec
PAPER	
Paper Types	Receipt, Roll
Paper Thickness	48 1⁄2mm - 80 1⁄2mm
INTERFACES	
Interfaces	USB 2.0-A, USB Type-C, Ethernet interface (100 Base-TX / 10 Base-T), Micro SD Card Slot, USB 2.0 Type B (Service Only), Wireless LAN IEEE 802.11a/b/g/n/ac, Drawer kick-out, Wi-Fi Direct, Bluetooth, Near Field Communication (NFC)
GENERAL	
Product dimensions	127 x 127 x 130 mm (Width x Depth x Height)
Product weight	1.3 kg
Autocutter	Yes Included
Colour	Black
Noise Level	Operation (Roll):53 dB (A)
Power consumption	Printing: Appx.1 W, Standby: Appx.31 W
Power Supply	External
Reliability	MTBF: 360,000 Hours , MCBF: 65,000,000 passes
ROLL PAPER UNIT	
Print Speed receipt	300 mm/sec
Dot density receipt	203 DPI x 203 DPI
SUPPORTED MEDIA	
Formats	Roll 57mm, Roll 80mm
Width	Min58 mm, Max80 mm
OTHER	
Warranty	24 months Carry in Optional warranty extension available

LOGISTICS INFORMATION

SKU	C31CK50152A0
