Epson **TM-P80II (101): Mobile Receipt, Bluetooth, USB-C, Black, EMEA**

Designed for demanding, on-the-go environments such as retail, hospitality and in-vehicle applications.

Providing outstanding flexibility, reliability, connectivity and ease-of-use, this stylish and compact receipt printer is even lighter than its predecessor, and is perfect for busy, fast-moving environments.

Perfect for a wide range of applications
Whatever your application, from retail to hospitality, the TM-P80II is designed to make life easy. Measuring only 138 x 105 x 68 mm, its ultra-light and ergonomic form factor makes it the ideal solution for any on-the-go environment.

Ideal for in-vehicle use
Fully approved for in-vehicle use, this highly versatile receipt printer is also ideal for transportation applications, such as a taxis or on-board ticketing, and logistics applications such as payment on-delivery or invoicing.

Excellent connectivity with USB, Bluetooth and WiFi 5
With USB-C connectivity, plus support for Bluetooth 5.0 "classic" and low-energy modes, the TM-P80II provides excellent range, seamless pairing and reliable all-day battery life, while its Wi-Fi 5 capability means that it offers excellent wireless performance, including a Wi-Fi "Direct" mode enabling direct connection of up to 8 devices without the need to connect to a network or hotspot.

Robust and reliable
With increased impact resistance and protection to IP54 standards, the TM-P80II is designed to withstand most ordinary knocks, as well as exposure to dust and water.

Fast, easy set-up
Because the TM-P80II comes with a comprehensive "quick start" sheet, which includes QR-codes that link to video guides, set-up and configuration is simple and hassle-free - so you can be up and running almost instantly.

Major benefits for developers
Full support is provided for both ESC/POS and standard Epson Drivers, while Epson's proven software solutions ensure that the migration of existing POS systems is near-seamless, and new development is fast and problem-free.

KEY FEATURES

- **Compact, ergonomic and stylish**
  An all-new design that's lighter than ever and intuitive to use.
- **Perfect for on-the-go environments**
  Designed for demanding mobile applications, including in-vehicle use.
- **Major benefits for developers**
  Fast, problem-free development, and migration of existing POS systems.
- **Exceptional durability**
  Improved impact resistance, and IP54-rated for dust and water ingress.
- **Excellent connectivity**
  USB-C and W-Fi, plus a W-Fi Direct mode for effortless printing.
- **Legal Statement**
  Complies with The UK Product Security and Telecommunications Infrastructure (Product Security) requirements. Epson will provide security updates for 7 years from purchase
