

WorkForce DS-7500N

DATASHEET / BROCHURE

Improve document workflow processes with this reliable A4 network-ready departmental scanner

Engineered to integrate seamlessly into document management systems, this networked document scanner ensures heavy-duty scanning jobs are performed quickly, efficiently & effortlessly.

The Epson WorkForce DS-7500N can handle large batches of documents in a single go, quickly and efficiently. With a scanning speed up to 40ppm/80ipm, this departmental scanner ensures fast and trouble-free scanning due to a 100-page ADF, one-pass duplex scanning, and Double Feed Detection.

Epson Document Capture Pro makes it easy to integrate high-speed scanning into your document management system, speeding up workflow and enabling users to capture, convert and distribute scanned information in virtually any document repository or document management system.

The scanner and its features can be shared between multiple users using the built-in Network Interface Panel. Combined with Document Capture Pro, the Network Interface Panel allows users to benefit from Push Scan features and customise 'scan to' job functions, such as 'scan to email' or 'scan to Microsoft SharePoint®', among others*2. You can also benefit from its optional Push Scan features to increase productivity. These features enable complicated tasks to be carried out effortlessly, increasing users' acceptance and eliminating training requirements.

Epson ReadyScan LED technology eradicates warm-up time, guarantees an absence of mercury, and lowers power consumption. These elements create an environment friendly device for your office workspace.
