This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: <http://www.hp.com/learn/ds>

<sup>1</sup> Mechanical printing time, printed in Fast mode with Economode on, using HP Bright White Inkjet Paper (bond) and Original HP Bright Office Inks.

<sup>2</sup> The HP DesignJet T830 24-inch and 36-inch Multifunction Printers are the most compact large-format devices performing print/scan/copy functions based on H x W x L specifications published as of May, 2017.

<sup>3</sup> Lokal udskrivning kræver, at mobilenheden og printeren er på det samme netværk (normalt en bridge med et trådløst Wi-Fi-adgangspunkt forbundet med et kabelbundet netværk) eller har en direkte trådløs forbindelse. Den trådløse ydeevne afhænger af det fysiske miljø samt afstanden fra adgangspunktet. Trådløs brug er kun mulig med 2,4-GHz-forbindelser. Fjernudskrivning kræver en internetforbindelse til en webtilsluttet HP-printer. Brug af trådløst bredbånd kræver et separat abonnement til mobilenheder. Du kan få yderligere oplysninger om udbud og dækning i dit område hos udbyderen. Du finder flere oplysninger på <http://www.hp.com/go/designjetmobility>.

<sup>4</sup> Redesigned stand with reduced material usage and up to 30% weight reduction compared to the previous stand model used in the HP DesignJet T830 Multifunction Printer series. Based on calculations in accordance with ISO 14040/14044 Life Cycle Assessments using ReCiPe (H) v. 1.1 (2016) on GaBi 8.5 (2018) software and scaled to reflect expected yearly sales.

<sup>5</sup> HP Smart-appen fås til Apple® iPad, iPhone og iPod Touch med iOS v7.0 eller nyere og til Android™-mobilenheder med Android™ v4.4 eller nyere. HP Smart-appen fås gratis fra Apple® App Store til mobile enheder fra Apple® og fra Google Play Store til mobile Android™-enheder.
