HP Renew Executive 16-inch Laptop Backpack

Designed for Work Anywhere

We've put an all-new spin on premium design and high quality materials. Crafted with functional style, this backpack expands to fit your work or life needs. Not that you'll run out of pockets to store all your devices, though. Keep what's important close to you and keep your commitment to the planet with the external material containing 100% recycled plastics[1].

Expand Your Options
Not staying in one place? Bring anything you need when you're commuting or traveling with a comfortable backpack that adapts to you. Need more space? Just unzip and expand up to 20% capacity. With that much space, you're good to go for whatever work or life gives.

Pockets for Days
With space for up to a 16" laptop and your other devices in dedicated compartments, this backpack keeps you organized and ready for anything--work, life or travel. Interior and exterior slip and zip pockets simplify access while a cable pass-through and exterior USB-C® port offers convenient charging.

Got The Planet's Back
Keep your devices protected and keep your commitment to the planet. The exterior material of the backpack contains 100% recycled plastic, which means there's 9 less plastic bottles out there[1]. In addition to being water-resistant, each backpack is made from durable, easy to clean sanitizable material.

More Secure. Less Worry
Commute or travel easy knowing your office in a bag is safe with a tracker pocket to store your tracking device[2], RFID-blocking pocket to keep your data safe from digital pickpockets, and a lockable notebook compartment with a durable, double-coil zipper.

1. Exterior material contains 100% recycled PET prior to the addition of dye, the equivalent of four 16.9 oz. recycled plastic water bottles.
2. Tracker device not included.
