Clarity meets function

Designed for busy professionals, Poly Rove 20 handsets emphasize usability, functionality, and style. Enjoy HD voice for lifelike conversations, customizable line keys, and effortless call parking.

You grow, we scale

You shouldn't have to worry about outgrowing your communication solution or feel held back by its options. Poly Rove 20 wireless DECT™ IP phone solution has the flexibility to scale with handsets, bases, and repeaters as you grow.

- Privacy is ensured
Conversations are safe and secure with DECT™ wireless security. And it doesn't stop there - maintain DECT™ encryption even when you add a base or repeater to your solution.
- Extended battery life
Enable employees on the move to communicate more effectively, respond faster to requests and alerts, and be more productive with up to 35 hours of talk time (Eco-mode) and up to 300 hours of standby time.
- Grab a Poly headset and go
Communicate hands-free with a Poly wired headset using the dedicated 3.5 mm connection. Perfect for users who feel more comfortable wearing a headset.¹
- Easy-to-clean handsets
Ideal for healthcare environments, these handsets are specifically designed for easy cleaning with smooth surfaces and no gaps between buttons.

Datasheet

Poly Rove 20 DECT Phone Handset
