

SanDisk Extreme® CompactFlash® card

Highlights

- **Extreme Shot Speeds** up to 85MB/s* for faster continuous burst shooting [32GB-128GB ONLY]
- **Extreme Transfer Speeds** up to 120MB/s* for increased workflow efficiency
- **Extreme Capacities:** 16GB, 32GB, 64GB, 128GB**
- **Extreme Video Capture** with Video Performance Guarantee (VPG-20)² allows minimum sustained write speed of 20MB/s for superior Full HD video recording
- **Extreme Reliability** tested to perform from -25°C to 85°C (-13°F to 185°F)
- **Extreme Confidence**, backed by rigorous stress, shock, and vibration testing procedures and a lifetime limited warranty³

Maximize your creative potential with the SanDisk Extreme® CompactFlash® card that delivers an optimal combination of shot speed, sustained video capture performance, transfer speed, and capacity.

SanDisk Extreme CompactFlash cards are ideal for photo and video enthusiasts who desire to take their best work with their mid-range to high-end DSLRs.

Produce studio quality photos/videos with advanced camera features such as fast action photography, burst mode, RAW plus JPEG capture, and Full HD video¹ (1080p) recording. Plus with up to 128GB** of storage capacity you can shoot more pictures and capture more video without running out of space.

Shoot like a pro with the optimal combination of Performance, Capacity, and Reliability.

- **Video Performance Guarantee (VPG)²** allows minimum sustained write speed of 20MB/s so you can shoot superior Full HD video
- **Fast shot speeds** up to 85MB/s* for fast action photos and faster continuous burst shooting [32GB-128GB ONLY] [16GB: 60MB/s]
- **Increase Workflow Efficiency**, save time with up to 120MB/s* transfer speeds
- **Don't stop the action.** With up to 128GB** of storage capacity, shoot hours of photos and Full HD (1080p) video without interrupting your sessions
- **Tested for durability** in extreme conditions and trusted by professional photographers worldwide

That's why for uncompromising results, professional photographers trust SanDisk®.
