

LENOVO L27q-35 MONITOR

BUILT TO PERFORM. DESIGNED TO MESMERIZE.

A CHIC AND EFFICIENT MONITOR FOR LEISURE AND WORK

While great aesthetics are good to have, performance is non-negotiable for remote workers and students who seek excellent display quality and a stylish build in their monitors. The sleek Lenovo L27q-35 blends both with its QHD display on a generous 27-inch panel, giving you crisp and clear content. Enjoy smooth gameplay and seamless video output with AMD FreeSync™¹ technology and 4ms response time that reduce screen tearing and latency. With exclusive Lenovo Artery software,² you can control advanced display settings with relative ease. There is more to cheer about: Lenovo Natural Low Blue Light technology that protects eyes while preserving picture quality, a sleek stand optimized for comfort, and high-quality integrated speakers make L27q an excellent choice for your home.

FEATURES OF LENOVO L27q-35 MONITOR

True-to-life Colors

This incredible QHD 27-inch monitor ensures a crystal-clear display when it comes to viewing text, images, videos, or playing games. The resolution of 2560 x 1440 multiplies details by up to 1.7x as compared to FHD 1080p. With VA panel technology, enjoy a high contrast ratio and wide viewing angles for a premium experience. 99% sRGB coverage ensures realistic color reproduction for casual gaming and recreational viewing. Slender NearEdgeless bezels on three sides offer more screen real estate for work and play.

Fluid All-round Performance

A 4ms response time reduces latency and prevents motion blur and ghosting. AMD FreeSync™¹ and 75Hz³ refresh rate give you a stellar gaming experience, free of screen tearing and stuttering. Natural Low Blue Light technology filters out harmful blue light without compromising on color accuracy, while the TÜV Rheinland Eye Comfort certified display helps reduce eye fatigue. Connecting your notebook or desktop is a breeze with multiple port options, including a DP and HDMI port.

Aesthetic Design for Home

This ultra-slim monitor's true appeal lies in its attention to detail. Well-sculpted modern stand enhances your home decor while also being fully adjustable and wobble-free. It comes with a phone holder and has a cable management clip that neatly tucks away cables to avoid clutter. The monitor's two built-in stereo speakers deliver a splendid audio experience, so you can belt out your playlist straight away. Moreover, Lenovo Artery software² helps you adjust the display settings of the monitor easily.
