WHY YOU SHOULD BUY THE LENOVO 540 USB-C WIRELESS COMPACT MOUSE

Get more done anywhere

The Lenovo 540 USB-C Wireless Compact Mouse gives you the freedom and control to work from anywhere. Beneath its portable ambidextrous design, it boasts a precision sensor, adjustable DPI, and up to 18 months of battery life.

Pair up to eight wireless devices

Seamlessly connect up to eight input devices, such as keyboards and mice with just one Lenovo USB-C Unified Pairing Receiver. And instantly transform that underused USB-C port on your ultrabook into a gateway of possibilities.

Raising the bar for USB-C

The Lenovo USB-C Unified Pairing Receiver is designed to help you make the most of your ultrabook. It's an asymmetrical dongle that does not block your other ports and can be used to replace a lost unifying receiver.
