

LENOVO C24

TAKE ON THE WORLD
IN BUSINESS AND IN PLEASURE

ONE DISPLAY FOR WORK AND PLAY

With screen time growing in all our lives, and home now a base for learning, work and play, we need new solutions to get the best from every day. Designed to power you through entertainment, study and working at home, Lenovo C24-25 is the answer. Its 23.8-inch VA panel display with expansive 178°/178° view angle delivers quality visuals whichever way you look at it, whether you're laying out spreadsheets, taking out opponents or streaming your favorite comedy with family members. AMD FreeSync™ eliminates image tearing for a cleaner gaming session. And there's no ghosting due to the monitor's 4ms response time. Get into the best position with its adjustable tilt stand and option for VESA wall-mounting while a low blue light mode reduces eye fatigue even after long hours. 3-side NearEdgeless display makes viewing all about the picture and reduces distractions in multi-screen setups. And with universal connectivity to your devices through HDMI or VGA ports and integrated cable management through the stand, C24-25 keeps every space connected yet clutter-free. It's the perfect option that works or plays to your home advantage.

FEATURES OF LENOVO C24-25 MONITOR

Limitless work & play

The 23.8" VA panel display offers you a broad 178°/178° viewing angle, giving everyone in front of the screen an ideal view. While its 3-side NearEdgeless form factor removes distracting borders and makes multi-screen setups more seamless. The 1920 x 1080 FHD resolution keeps pixels sharp and pictures perfect, letting you indulge in entertainment or work with ease.

Distraction-free viewing

Never miss a moment of action with visuals rendered in rapid 4ms response time, which also cuts out ghosting or streaking that would spoil your game play. Thanks to built-in AMD FreeSync™ technology, image stutter and tearing are a thing of the past. TÜV Rheinland Low Blue Light certification is proven to let you watch in greater comfort, no matter how many shows you binge. And with its adjustable tilt stand, 100mm VESA mount and support for Lenovo TINY pc, it's always in the perfect position to empower your productivity or enrich your enjoyment.

Optimum connectivity Minimum clutter

The monitor's integrated cable management channels wires through the stand itself, keeping your workspace free for better productivity or your entertainment zone a clutter-free joy. Universal connectivity through HDMI and even VGA lets you effortlessly hook up to PCs, TV boxes, games consoles, practically all your devices. Plus Audio Out through HDMI gives you a quality sound signal to your speakers or headphones.
