 Detect fire, and movements
before they escalate, so you
can act fast and keep your home
safe from anywhere, any time.

Crisp 2K video and colour night
vision give you a clear view of
what's happening, even in the dark.

 Advanced AI spots people,
vehicles, animals, parcels, and
even fire, so you only get alerts
that matter.

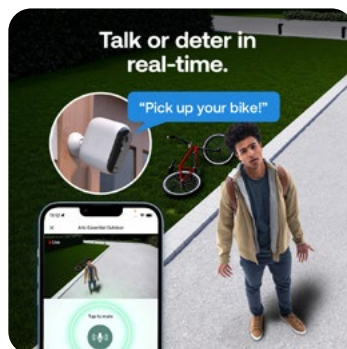

With a 130° field of view and 12x
zoom, you won't miss a face, plate,
or movement.

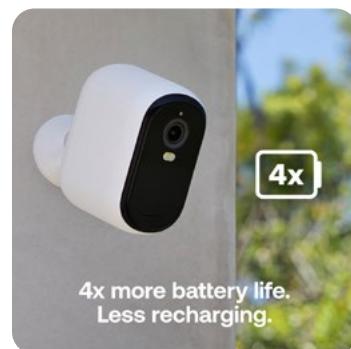

Built-in siren and spotlight scare
off intruders the moment they're
detected.

Mix and match with indoor,
outdoor, PTZ cameras to cover
every corner, with no blind spots.

Use two-way audio to greet
visitors, give instructions, or warn
off trespassers from anywhere.

Ideal for high-traffic areas or
hard-to-reach locations that need
long-lasting protection.
