Introducing Legion Ultimate Support

For Legion owners, nothing matters more than winning. In your job, you need to stay connected, productive and ahead of the competition. And after work you enter another world of excitement and adrenaline, where victory is everything.

Legion Ultimate Support is built to fit your double life, with one single point of contact for all your support needs.

Our team of IT experts are gaming specialists, with **detailed knowledge of the latest games and gaming trends**. They'll help you with settings advice, hardware optimizations and more to keep you on point during the day, and make sure your games run smooth as silk.

Productive all day

From content creation and video editing to remote calls and project presentations, your Legion device helps you stay in the zone and on top of your job. But even the most technical among us struggle with PC troubleshooting sometimes. And if things go south, you need it fixed. Fast.

Legion Ultimate Support gives you the **fast resolutions** you need, with **direct access to advanced technicians** ready to give you real-time solutions, whatever the issue. From **software assistance to hardware optimization, connectivity help and more**. And if we can't fix the problem over chat, email or phone, our team will schedule an **onsite visit** for the next business day. So you're back to work as soon as possible.

Unbeatable all night

As a gamer, you know that it takes more than a great PC to win: it takes skill, experience and tactics. But even for the very best players, a moment's lag, freeze or glitch is all it takes to go from hero to zero.

Our **gamer-centric, 24/7 support is here to be your META – the Most Effective Tactic Available.** Legion Ultimate Support is the extra boost you need to get 100% performance, 100% of the time. So you can reach the top - and stay there.

Gamer-centric

Elite level technicians with a **wealth of product knowledge, who also know about key gaming communities and forums.**

Hardware, software and more

Advice with **settings, tuning, hardware and software optimizations,** helping you get the most from your Legion for work and play.

All day. All night.

We're ready for battle, any time you need. Contact us **by email, phone or chat 24/7,** 365 days a year.

Onsite support

If we can't solve your hardware issue remotely, you'll get **next business day onsite support.**

Your Legion is much more than a standard PC, so it deserves more than standard support. See how Legion Ultimate Support offers META support for people who depend on their devices to stay on task, and on target:
