

DATASHEET

SUPERIOR SOUND MEETS PREMIUM COMFORT

Our best-selling BlueParrott B450-XT has been upgraded to keep pace with the demands of life on the go. Now with added IP54-rated durability, USB-C charging and firmware updates on the go, as well as all the features that come as standard with BlueParrott headsets, including our industry-leading 96% noise cancellation, VoiceControl™ and customizable Parrott Button™, the B450-XT delivers impressive levels of comfort, fit and performance.

Benefits

- **Industry-leading noise cancellation.** Blocks out 96% of background noise*. Hear and be heard clearly wherever you are – regardless of the noise around you.
- **Up to 24 hours of talk time.** Keep talking with long-lasting battery life. Connect to 2 mobile devices at the same time.
- **Customizable Parrott Button.** Enable fast access to your favorite features such as mute, speed dial, Push-to-Talk and more, so you can control the headset your way.
- **Tough, IP54-rated design.** Tough enough for life on the go, with IP54-rated protection against dust and moisture.
- **USB-C charging.** One charger for all your devices makes life a whole lot more convenient.
- **Padded headband and large, cushioned earcup.** Secure fit and premium materials to keep you comfortable all day.
- **VoiceControl.** Answer or reject calls with just your voice, keeping your hands free.
- **Up to 300 feet/100 meters wireless range.** No need to keep your phone in your pocket.
- **Get the most from your headset.** Select features and update firmware via the BlueParrott App. No need to plug your headset into a computer.
- **Large, easy-to-press buttons.** Easy to locate buttons for maximum ease of use.
- **Works with most Bluetooth®-enabled devices.** Integrates with a range of devices, from smartphones to hand-held terminals. Use our SDK to enable custom experiences.
