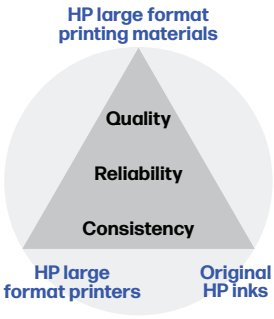
Data sheet

HP Universal Heavyweight Coated Paper

The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.



Accomplish more with consistent results every time

Look to this economical, recyclable[1], and FSC®-certified[2] printing material, ideal for a variety of medium ink-density graphics and technical applications including presentations, indoor signs, and posters that are frequently replaced. From working comps and design proofs to POP signage and special event posters, see high-quality, consistent image quality print to print and roll to roll.

Make the economical choice for everyday prints

Meet your everyday printing needs and enjoy consistent, high-quality results with this economical heavyweight matte coated paper.

Add flexibility—this paper is FSC®-certified[2]

Use this high-quality printing material across a broad range of HP DesignJet printers. And get added flexibility with this recyclable[1], FSC®-certified paper.[2]

Target customers	Applications	Benefits
