

ThinkBook 14 2-in-1 G5 IAU

Designed to impress, the ThinkBook 14 2-in-1 Gen 5 is the go-to multimode device for today's ambitious mobile workforce. Its distinctive 14" formfactor seamlessly transitions between laptop, tent and tablet modes, making it perfect for interactive presentations, onsite visits and content creation. Powered by Intel® Core™ Ultra 7 (Series 2) processors, it delivers enhanced performance and impactful AI experiences. Integrated Intel® Graphics efficiently handles media and display tasks, while AI applications can be offloaded to the GPU for smoother multitasking.

Redefining possibilities with powerful performance and groundbreaking on-device AI

ThinkBook combines the style and user experience of consumer devices with the security and business-class support of ThinkPad.

Lenovo Smart Meeting enhances collaboration with AI-powered features such as smart noise cancellation, auto-framing, intelligent video and a dedicated AI key on the keyboard. Notetaking and sketching are smoother than ever with the optional Lenovo Yoga Pen, while the user experience is further elevated by improved Harman audio, a 90% screen-to-body ratio and an enhanced keyboard and trackpad.

The Intel® Core™ Ultra delivers multi-layer AI-driven security features such as a fingerprint reader with touch, an FHD IR camera and TPM 2.0 for enhanced digital defense. Additionally, with MIL-STD-810H grade durability—including a 60cc spill-resistant keyboard—you can work confidently from anywhere.

The ThinkBook's 360-degree hinge enables seamless transformation between laptop, tent and tablet modes, providing versatility and convenience for professionals. This flexibility allows users to effortlessly switch between workspaces, whether at home or in the office, maximizing productivity without compromising on space.

Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Premier Support Plus

- Helping IT predict and prevent device downtime
- Elite 24x7 expert support empowers IT and users alike
- AI insights help resolve issues before they impact business

Accessories

Lenovo 16-inch Laptop Topload T210 Black (ECO)

- High quality, durable and water-repellent fabric for maximum durability
- Conveniently placed compartments and pockets for quick access
- Made of 80% recycled PET on case exterior

PN: GX41L83769

Lenovo Essential Compact Wireless Mouse

- Compact and easy to carry, weighs just under 50g (1.76oz)
- Ergonomic and ambidextrous design with 3 buttons
- Highly durable design, tested to last up to 8 million clicks

PN: 4Y50R20864 – (with battery) 4Y50R20865 – (w/o battery)
