

Pan Tilt Zoom Security with AI at its Core

Arlo Essential 3 2K Pan-Tilt-Zoom Indoor Security Camera

Arlo Early Warning System

2K Resolution

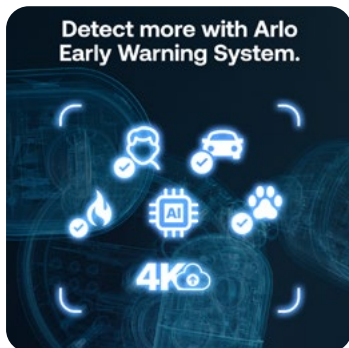

Pan Tilt Zoom

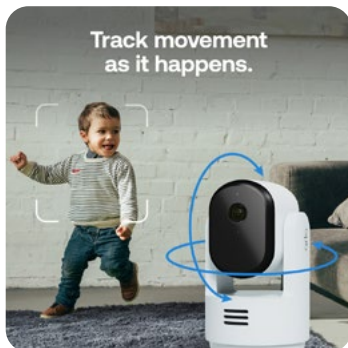

Loud Siren

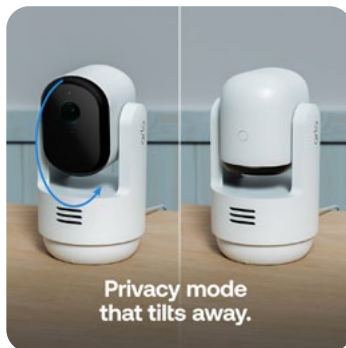

Continuous Charging

 Detect fire, sound, and movements before they escalate, so you can act fast and keep your home safe from anywhere, any time.

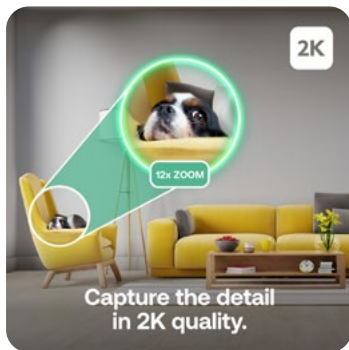

PTZ cameras automatically pan and tilt to follow activity and give you the full story.

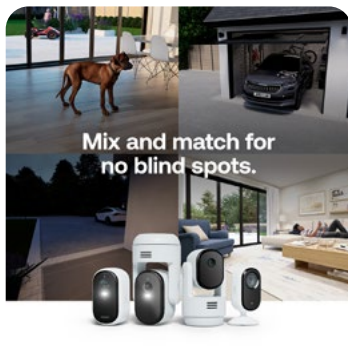

Automatically tilts down when disarmed — for complete peace of mind when you're home.

 Advanced AI recognises people, pets, sounds and even fire, so you won't miss what's important, and won't be distracted by what's not.

Capture faces, movement and moments clearly in 2K video — even in low light — so nothing important goes unnoticed.

Mix and match with indoor, outdoor, PTZ cameras to cover every corner, with no blind spots.

Use two-way audio to speak to family, calm your pets, or respond to uninvited visitors from anywhere.

Trigger it automatically or on demand to help scare off intruders the moment suspicious activity is detected.

Your AI-Powered Early Warning System

Our most advanced AI security

Detect more than any other brand

Secure cloud storage options

Protect custom areas with activity zones

Who is Arlo Essential 3 PTZ Indoor right for?

- Families who want to keep an eye on kids, pets, or elderly relatives in larger rooms.
- Homeowners looking for one flexible camera that can follow activity indoors.
- Renters and first-time buyers who want simple, reliable indoor security without complicated installation.
- Smart home users who want AI-powered alerts and full control from the app.

Why is the Arlo Essential 3 PTZ Indoor Camera the best choice?

- Smarter alerts** - AI Early Warning System detects fire, sound, people, pets and more.
- Covers every corner** - Pan and tilt to follow activity across the whole room.
- Built-in Privacy Mode** - Camera tilts down to cover the lens when you want privacy.
- Clear 2K video, day and night** - See every detail with crisp clarity.
- Secure EU cloud storage** - Protected by strict European privacy standards.

How to use the privacy mode?

- Tilt to hide** - Camera points fully down so the lens is covered by the base.
- Manual control** - Activate Privacy Mode anytime with a quick tap in the app.
- Smart setup** - Set your camera privacy mode to automatically activate or deactivated, based on your chosen routines or modes.

TOP TIP

Place the camera in a corner of the room — with pan and tilt you'll cover the whole space without needing multiple cameras.

What's in the box for the 2 camera kit:

- (2) Arlo Essential Pan Tilt Indoor Camera
- (2) Wall Mount & Screw Kits
- (2) Indoor USB-C Charging Cable and PA
- (1) Quick Start Guide
- (1) Security Decal

How to install and connect:

- Place or mount the camera in your chosen room with the integrated stand.
- Connect to 2.4Ghz or 5Ghz Wi-Fi quickly through the Arlo app.
- Set your view - pan and tilt from the app to cover every corner.

Help your customer build their home security system
