# HS5100

**5.1 ch Soundbar with Rear Speakers  
& Wireless Subwoofer  
Model-HS5100**

## Superior Sound. Powerful Bass.

Elevate your home entertainment experience with the Hisense 5.1 channel Soundbar, equipped with Dolby Audio™. With a total output power of 540W and 8 speakers, including front soundbar with 3 full-range speakers and 2 tweeters, 2 rear surround speakers, and a wireless subwoofer, it delivers powerful and immersive audio.

### 540W Max Audio Power

Let's get loud! Upgrade your TV sound instantly with the 8 powerful speakers (including 3 full-range speakers, 2 tweeters, 2 rear surround speakers and a wireless subwoofer) which will deliver a maximum audio power of 540W.

### Dolby Digital Plus and DTS Virtual:X

Experience the immersive power of Dolby Audio and DTS Digital Surround® technology as they create a virtual 3D sound environment, drawing you into the heart of your favourite entertainment.

### TV Mode

With TV mode technology, when connected to compatible Hisense TVs (models that support Dolby Atmos), you can fully leverage your TV's sound capabilities like Dolby Atmos through the soundbar speakers, enhancing your audio experience for truly immersive sound.

### 6 Tailored Sound Modes

Get the best audio performance from movies, music, sports, games, and more. All with a simple touch of the remote with 6 preset sound modes.

### 5.1 Channel

Experience immersive sound around you with our true 5.1 channel surround sound system that brings movies, music, and games to life. This system includes a front sound bar a wireless subwoofer and rear speakers, enhancing your audio experience from every angle.

### Rear surround speakers

Transform your space into a cinematic oasis with our dual rear surround speakers. Experience true surround sound realism for an immersive home theater adventure.

### 6.5" Wireless Subwoofer

Experience deeper, richer bass with a powerful wireless subwoofer that connects effortlessly. Enjoy the freedom to place it anywhere you choose for optimal sound.

### One Remote, Double Enjoyment (EzPlay)

Use only one, user-friendly remote to adjust Soundbar's setting from the TV.
