

# Conference Mate Combo™ Speakerphone

*Bluetooth®* Wireless and USB Combo Speaker

**Professional sound quality  
anywhere plus you'll love how it  
plays music**

## PROFESSIONAL QUALITY EXPERIENCE

Pair this portable speaker with your smart phone (iPhone or Andoid), tablet (iPad or other), PC or Mac, or other A2DP *Bluetooth®* device for portable professional sounding conferencing anywhere you need it. Non-*Bluetooth®* devices can also connect, via the 3.5mm jack (using your own audio cable). Ideal for Skype™ and Skype for Business™ (Lync) when you connect the USB cable to your computer.

Conference Mate Combo™ is great for playing music when you are not taking or making calls.

<b>Part#</b>	MCP-3030	
<b>UPC</b>	800807300606	
<b>MSRP:</b>	<b>\$129.99</b>	

## CONFERENCE MATE COMBO FEATURES INCLUDE

- 01** NFC (Near Field Communications) chip: just touch your NFC capable device to the Conference Mate™ Combo and it will pair automatically, instead of the standard *Bluetooth®* method of pairing.
- 02** Dual high quality omni-directional mic array so the unit will capture everything you say, and clearly. Enough volume so you'll be heard well at the other end.
- 03** Connect to your Mac/PC via the USB cable for Skype and Skype for Business.
- 04** Downward facing speaker with passive bass radiator means a realistic, deep bass and rich sounding audio.
- 05** You get 7+ hours of talk time; USB recharges high power density Lithium Polymer battery.
- 06** Advanced Audio Distribution Profile (A2DP) for high fidelity *Bluetooth®* wireless audio.

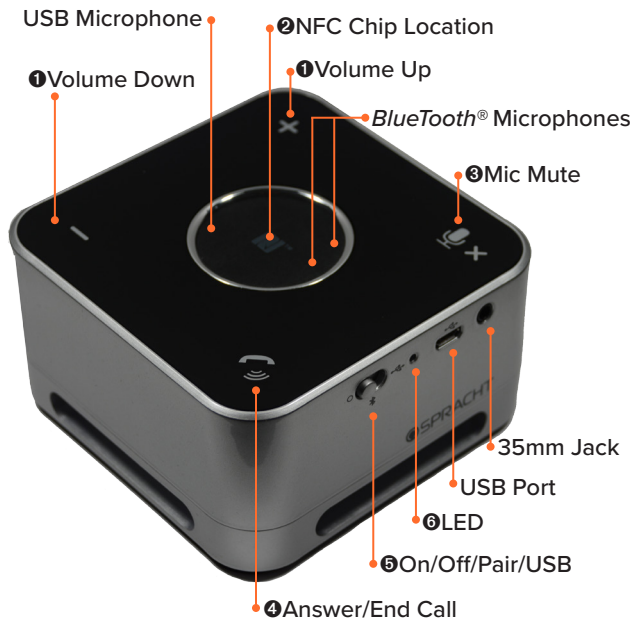

Download the FREE Bongiovi DPS App and improve the quality of your compressed audio playback even more.
