

Pan Tilt Zoom Security with AI at its Core

Arlo Essential 3 2K Pan-Tilt-Zoom Security Camera

Arlo Early Warning System

2K Resolution

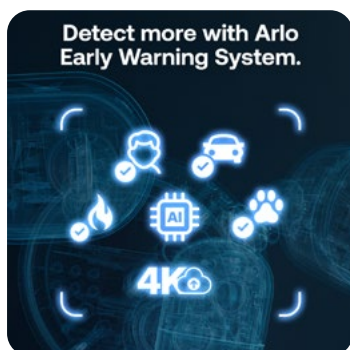

Pan Tilt Zoom

Loud Siren

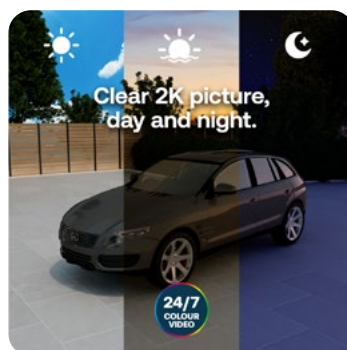

Continuous Charging

 Detect fire, sound, and movements before they escalate, so you can act fast and keep your home safe from anywhere, any time.

PTZ cameras automatically pan and tilt to follow activity and give you the full story.

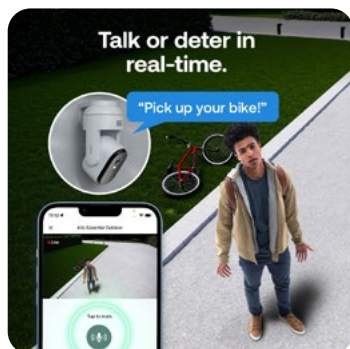

Crisp 2K video and colour night vision give you a clear view of what's happening, even in the dark.

 Advanced AI recognises people, pets, sounds and even fire, so you won't miss what's important, and won't be distracted by what's not.

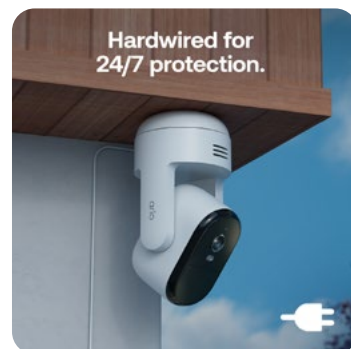

Built-in siren and spotlight scare off intruders the moment they're detected.

Use two-way audio to greet visitors, give instructions, or warn off trespassers from anywhere.

Mix and match with indoor, outdoor, PTZ cameras to cover every corner, with no blind spots.

No charging required - perfect for high or hard-to-reach installations that need uninterrupted power.

TOP TIP

Place the camera on a corner of your home - with pan, tilt, and zoom you'll cover two sides at once!

Why choose a Pan-Tilt-Zoom camera?

- See every angle - Pan, tilt, and zoom to cover more with one camera.
- Follow the action - Camera tracks movement automatically so nothing is missed.
- More control - Adjust your view anytime, from the Arlo app.

How to install and connect:

- Mount the camera outdoors with the included bracket for stable placement.
- Connect to 2.4Ghz or 5Ghz Wi-Fi quickly using the Arlo app.
- Set your coverage — pan, tilt, and zoom from the app to watch every angle.
